### 2020 - Currently Working

Herbalife I Av. Camino Al Iteso 8900, Interior 1-A, COL. El Mante. Tlaquepaque

#### Customer Service Representative

I started working as a sales order agent, where my main responsibility was to take orders from independent distributors. Two weeks later, I started training for member services. My new role was to assist Distributors in achieving higher levels of growth by providing them with information and supporting the training team in testing new tools implemented for agents to enhance customer service. A new position as a VFS (Virtual Floor Support) agent was opened in August 2022. My new role was to provide support to agents who had questions and assist in answering distributors' inquiries.

### 2019 - 2020

AT&T I Anillo Perif. Sur Manuel Gómez Morín 8316, Mirador del Tesoro, 45608 San Pedro Tlaquepaque, Jal.

#### Customer Service Representative

My role at AT&T in the retention department was to prevent customers from disconnecting their lines due to other companies offering better prices or plans. This involved offering discounts or different plans to reduce their monthly payments.

### 2015 - 2018

Wheelys I Guadalajara International Airport

#### Customer Support

Assisted multiple airlines in providing wheelchair service for disabled customers, escorting them from the parking lot to the airplane or from the airplane to pick up luggage and then to the parking lot.
